Press Release

### **JMI celebrates NSS Foundation Day**

NSS Foundation Day was celebrated on September 24, 2024 with great enthusiasm at the NSS Office of Jamia Millia Islamia (JMI). On this occasion, the program was organized under the supervision of Dr. Abid Hussain, Program Officer of NSS, JMI. Volunteers including old and fresher were present during the program.

A cake cutting ceremony was also organized as part of the celebration. During his address to volunteers Dr Abid Hussain shared information about the benefits of joining NSS and its rules. He said that NSS provides an important platform for social service and leadership development among its volunteers. It helps in understanding social responsibilities during student life and motivates students to actively participate in various social service activities. NSS also organizes orientation programs exclusively for freshers where students share their experiences and understand the importance of volunteering.

The program concluded with the volunteers discussing the objectives and activities of NSS, motivating everyone to play a more active role in social service.
