**First batch students of DDU Kaushal Kendra, JMI land jobs in UAE in campus placements**

8 pass-outs of the first batch of Diploma in Refrigeration and Air-conditioning (2015-2016) of Jamia Millia Islamia have been selected for placement in a Dubai-based company, LG District Cooling, UAE. The students have been offered a monthly package of UAE Dirham-AED 1300/- (approximately Rs 23,500/-)

The successful students are: Anwar Ali, Md Azharuddin, Md Ashraf, Mohd Atif Farooqi, Mohd. Imran, Moin Akhtar, Aftab Alam and Eqbal Nezami .

The interview for campus placement was held on 24-12-2016 at the University Polytechnic, Jamia Millia Islamia.

In 2015, JMI started a two-semester, one year Diploma in Refrigeration and Air Conditioning course under the Community College scheme of the UGC.

Diploma in Refrigeration and Air Conditioning course is running under DDU Kaushal Kendra of the university. The course curriculum comprises of 40% theory and 60% skill and practical based teaching which includes industrial training in the field refrigeration and air conditioning, besides other elements of the coursework training.

Dr. Badshah Alam, Nodal Officer, Community College, Univ. Polytechnic said that the placement results for the very first batch were encouraging. This will instil confidence in the current batches on their future prospects, he added.
