Press Release

JMI and DeBox Global IT Solutions Forge Collaboration to Enhance Student Industry interface through VECOSPACE Platform

Jamia Millia Islamia (JMI), a Central University committed to academic excellence, has partnered with DeBox Global IT Solutions Pvt Ltd (DèBõx) to implement the innovative VECOSPACE platform, aimed at fostering a dynamic ecosystem connecting students, alumni, faculty, and industry professionals. This platform will help the industry integration with the university and meet the objectives of NEP in the field of internships, Industry mentorships and industry interaction.

The Memorandum of Understanding (MOU) exchange ceremony took place in the office of University Placement Cell (UPC), JMI in the presence of Teacher Placement Coordinators. This MOU was signed with the approval of competent authority and implemented under the able leadership of officiating Vice Chancellor Prof. Eqbal Hussain. The occasion witnessed the presence of esteemed dignitaries including Director of Training & Placement, Prof (Dr.) Rahela Farooqi, Director of DèBõx, Mr. Syed Asim, Director · Centre for Innovation and Entrepreneurship, Prof (Dr.) Rihan Khan Suri, Deputy Director of Training & Placement, Prof. (Dr). Sabah Khan, and Teacher Placement Coordinators from various departments of the university.

Through this collaboration, JMI aims to leverage the comprehensive features of VECOSPACE to empower its student community with enhanced opportunities for growth and development.

The platform offers a wide array of functionalities including Industry Mentorship, Events, Internships, Projects, Placements, Talent Profiles, Groups, and Knowledge Hub, among others.

Prof (Dr.) Rahela Farooqi, Director of Training & Placement, JMI, formally handed over the MOU to Mr. Syed Asim, Director of DèBõx, marking the beginning of a partnership poised to revolutionize student engagement and professional development within the university.

Speaking about the collaboration, Prof (Dr.) Rahela Farooqi remarked, “We are excited to embark on this journey with DèBõx to introduce VECOSPACE to our student community. This platform aligns perfectly with our vision to provide holistic support and opportunities for our students to excel academically and professionally”.

Mr. Asim, Director of DèBõx, expressed enthusiasm about the collaboration, stating, “VECOSPACE is designed to bridge the gap between academia and industry, providing students with a seamless transition into the professional world. We are thrilled to partner with JMI and contribute to the advancement of its student ecosystem”. He expressed enthusiasm about the collaboration and said that VECOSPACE is designed to bridge the gap between academia and industry, providing students with a seamless transition into the professional world. We are thrilled to partner with JMI and contribute to the advancement of its student ecosystem.

During the ceremony, Dr. Rihan Suri highlighted the significant opportunities for entrepreneurship and skill development that VECOSPACE offers through its mentorship program. He emphasized the platform's potential to empower students to explore their entrepreneurial aspirations and develop essential skills for success in the professional world.

With the implementation of VECOSPACE, JMI is poised to redefine student engagement and success, fostering a collaborative environment that nurtures talent and fosters innovation.
