Press Release

Jamia Millia Islamia Student Secures 3rd Position in Rupa Rahul Bajaj Scholar Connect Challenge

New Delhi, September 1, 2026

Sufia Ansari, a second-year B.Tech student in Electrical and Computer Engineering at Jamia Millia Islamia, secured 3rd position in the **Rupa Rahul Bajaj Scholar Connect Challenge**.

As part of the **Rupa Rahul Bajaj Scholarship Programme for Women in Engineering**, the top 100 scholars were invited to Pune for the **Scholar Connect and Felicitation Programme** on **11th June 2026**, organised by the **Bajaj Auto Foundation**.

The top five performers were felicitated at the Bajaj Auto Head Office by Mr. **Rajiv Bajaj, Managing Director, Bajaj Auto**, and **Dr. Kiran Mazumdar-Shaw, Founder of Biocon Limited**. Receiving the award from Mr. Rajiv Bajaj was a proud milestone in Sufia's academic journey.

The programme also included interactions with scholars from across India and an industrial visit to the Bajaj automotive plant, providing valuable exposure to manufacturing processes and industry practices.

Speaking about the experience, Sufia said, *"Being part of the Rupa Rahul Bajaj Scholarship has been a truly meaningful experience. Securing 3rd position and being felicitated by Mr. Rajiv Bajaj was a proud moment. The industrial visit and interactions with fellow scholars provided valuable learning beyond the classroom."*

About the Student:

Sufia Ansari is a second-year B.Tech student pursuing Electrical and Computer Engineering at Jamia Millia Islamia. She is a recipient of the Rupa Rahul Bajaj Scholarship and actively participates in academic, technical and extracurricular initiatives.
