Public Lecture on Noval Coronavirus Scenario in Delhi at JMI

Faculty of Dentistry(FOD), Jamia Millia Islamia(JMI) organized a public awareness lecture on “Noval Coronavirus-Scenario in Delhi and its Prevention” in the library of FOD today.

Dr Pawan Kumar, Additional Director, Director General Health Services(DGHS), Delhi was the resource person for the event. The lecture was attended by all students, interns, faculty members, paramedical staff, technical staff, administrative staff, and general public at FOD including staff members from Ansari Health Centre.

Dr. Kumar discussed about etiology, mode of transmission, clinical signs/symptoms, management and prevention of coronavirus infection.

It was emphasized to go by Ministry of Health and Family Welfare(MOHFW) website for updated and authentic information on Covid-19, and not to follow social media rumors.

All the measures for prevention and management by Delhi Govt were discussed in detail and resource material was shared with the participants. Action plan in brief for the steps to be taken by FOD were also discussed.

Audience queries/doubts were addressed by the resource person. It was suggested that more public awareness lectures need to be conducted by other faculties/ departments of Jamia Millia Islamia. Lecture ended with vote of thanks to all the participants and speaker.
