Press Release

Hall of Girls' Residence (Old), Jamia Millia Islamia Celebrates BRICS Sustainable Lifestyle Week 2026 with Eco-Diwali

New Delhi, November 9, 2026

The Hall of Girls' Residence (Old), Jamia Millia Islamia, celebrated BRICS Sustainable Lifestyle Week (BSLW-2026) under the Ministry of Environment, Forest and Climate Change (MoEFCC) and UGC's Mission LiFE (Lifestyle for Environment) initiative through a series of student-led activities promoting environmental awareness and sustainable living.

The programme featured a panel discussion titled "Chai & Charcha: Everyday Sustainability in Our Hostel", a Green Rally, a Mission LiFE pledge drive and an Eco-Diwali celebration on November 8, 2026. Student representatives and residents discussed practical measures relating to food wastage, waste segregation, water conservation, energy efficiency and responsible resource consumption.

The celebrations culminated in an Eco-Diwali gathering on the hostel central lawn, attended by over 150 residents. Students took a collective Zero-Firecracker Pledge to promote clean air and reduce noise pollution. Traditional earthen diyas sourced from local potters were used alongside energy-efficient SMD LED decorative lighting to encourage eco-friendly and energy-conscious festivities.

The programme was organised under the guidance of the Provost, Prof. Rana Noor, and the resident warden team. The panel discussion was moderated by Dr. Aysha, while the activities were coordinated by Dr. Aysha and Dr. Nazneen Fatima, with the support of Dr. Musadir Farooq and Dr. Huma Khan.

The celebrations witnessed enthusiastic student participation through pledge-taking, handmade placards, community singing and collective engagement, reinforcing the importance of translating environmental awareness into everyday action.

The initiative reaffirmed the Hall of Girls' Residence (Old), Jamia Millia Islamia's commitment to student leadership, environmental responsibility and the promotion of sustainable lifestyles in alignment with the national Mission LiFE vision.
