

Press Release: Jamia's unique 'Aman Ki Asha' initiative

Jamia Engineering Alumni Association (JEAA) in collaboration with ACM@IITD, the ACM Student-Chapter of IIT Delhi, is going to organize the Asia Cup, an Indo-Pak Coding Event on the 30th of March 2012. Any UG or PG student with good programming skills (C, C++ or JAVA) can participate by registering on the link www.cse.iitd.ac.in/~acm .

IIT Delhi, Faculty of Engineering & Technology, Jamia Millia Islamia, Sri Venkateswara College of Engineering, Chennai are the participating institutes of this event in INDIA, while National Punjab University College of Information Technology-Lahore, Government College University-Lahore, National University of Computing Emerging Science- Lahore are the participating institutes in PAKISTAN.

The ground rules for the battle of wits are --

1. This competition is open only to students who are currently enrolled in any undergraduate course across India and Pakistan.
2. Participation is restricted to 3 members each in a group.
3. Plagiarism in any form will not be acceptable.

For more information, please log on www.cse.iitd.ac.in/~acm

This event is part of the *Aman Ki Asha* project which aims to bridge relations between the two countries.
